The Most Holy Trinity

June 11, 2017

"Glory and praise for ever!"

Today's Gospel includes one of the most often-quoted and cited Christian scripture verses: "God so loved the world that he gave his only Son," John 3:16. Christians site this verse so often because it describes the act of God that transformed creation for all time. When we believe in Christ, we are saved and promised eternal life. Hearing these words again today, let us give thanks to God for this gift of salvation in Christ Jesus.

Pastoral Reflection

God is in our midst

I see today's readings being about my relationships with others, with God, and in my own self. For me, this feast is about healthy relationships. Relationships God sees as healthy are not always what I recognize as healthy. God is in the cloud of my unknowing, merciful and gracious. God is in my moments of love and peace, in right relationship. And yes, God's promise to us of eternal life is made real in the clouds and the relationships.

How will I remember in moments of doubt and unknowing, and moments of peace and right relationship, that God is present? Daily prayer, including the Eucharist, community, and outreach are elements that help me to remember and to redirect my focus on relationships with those around me. I trust I am not alone on my spiritual journey, and maybe my journey may help others on theirs. This week, may the moments that challenge and the ones that console help us recognize God in our midst. That could be the hardest part of all.
